T1 General – 2012

Complete this schedule if you had eligible home renovation expenses and you are claiming the Ontario healthy homes renovation tax credit. For more information, see line 4 on page 7 of the Ontario forms book.

Eligible expenses are those incurred after September 30, 2011, and before January 1, 2013.

**Attach a copy of this schedule to your return.** Do not include receipts, but keep them in case we ask to see them at a later date.

**Note:** Use an additional sheet of paper if you need more space.

[illegible]

## Notes

You and your spouse or common-law partner can share the healthy homes renovation tax credit but the amount that can be claimed cannot be more than the amount that would be allowed if only one of you were claiming this credit. For exceptions, see page 7 of the Ontario forms book.

You can claim this credit as long as another person has not already claimed the same eligible expenses.

If you share a principal residence with a group of people, the maximum amount of eligible expenses for that residence that can be claimed by the group is the lesser of \$10,000 and the amount of eligible expenses that the group paid or incurred.

**Address of the property**

Were the home renovations made at the address you entered on page 1 of your return? If **yes**, tick this box. ☐

If **no**, enter the address of the property where home renovations were made.
