

# New Brunswick Small Business Investor Tax Credit

Complete this form to calculate your New Brunswick small business investor tax credit. This credit can be used to reduce your New Brunswick tax payable.

You can claim this credit for investments in eligible shares you acquired in 2011 (that you did not claim on your 2010 return) or in the first 60 days of 2012. You can carry unused credits forward for seven years or back for three years. For 2009 and subsequent years, the maximum credit you can claim is \$75,000 per tax year including any unused amounts from other years.

If you are filing a paper return, **attach a copy** of NB-SBITC-1 certificate(s) to this form and include it with your return. If you are filing electronically, keep a copy of the documents for your records in case we ask to see them at a later date.
