

How to activate a monthly subscription plan?

Registered docsign.ca users can choose either a Pay-Per-Use or Subscription plan to use E-Sign or E-Deliver services. For brief introduction about both plans, please check out the [What is docsign.ca?](#) page.

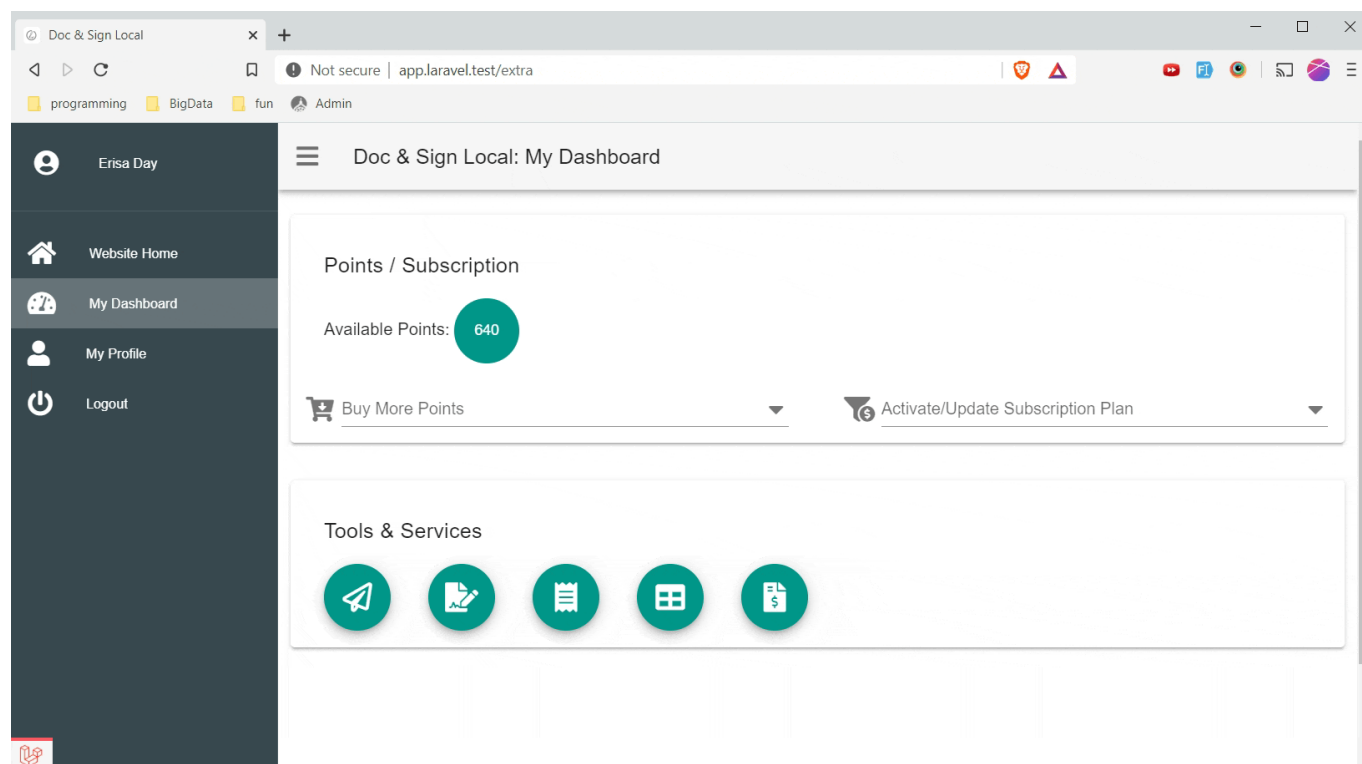

If you foresee your business will require both services more frequently, a monthly subscription plan may be more cost-effective than a Pay-Per-Use plan.

To activate a monthly plan, please make sure you have at least **80** points available first. Check out [how to purchase points](#) here.

Step 1: Log into your Dashboard first.

Step 2: In 'Points / Subscription' section, select an option from 'Activate/Update Subscription Plan' drop-down.

You can choose to activate a subscription for 30 days, 180 days or 365 days at once.
